**By Donald G. Babbitt : Featured Reviews in Mathematical Reviews 1995-1996** the history of mathematical notation includes the commencement progress and cultural diffusion of mathematical symbols and the conflict of the methods of notation plot summary user comments cast and crew information Featured Reviews in Mathematical

Reviews 1995-1996:

This collection of reprints of Featured Reviews published in Mathematical Reviews MR makes widely available peer reviews of some of the best mathematics published 1994-1996. Featured Reviews was introduced in MR at the beginning of 1995 in part to provide some guidance to the current research level literature. With the exponential growth of publications in mathematical research in the first half century of MR it had become essentially impossible for the users of MR to
