**From Brand: Nova Science Pub Inc : Advances in Mathematics Research (Volume 7)** editors in chief yunqing huang china chang shu singapore issn print 2070 0733 electronic 2075 1354 advances in applied mathematics and mechanics aamm advances in mathematics of communications amc publishes original research papers of the highest

quality in all areas of mathematics Advances in Mathematics Research (Volume 7):

Mathematics has been behind many of humanity's most significant advances in fields as varied as genome sequencing, medical science, space exploration, and computer technology. Where will mathematicians lead us tomorrow and can we help shape that destiny? This book assembles articles explaining the research and scholarship in mathematics.
