Evolution Equations (Mathematics Research Developments)
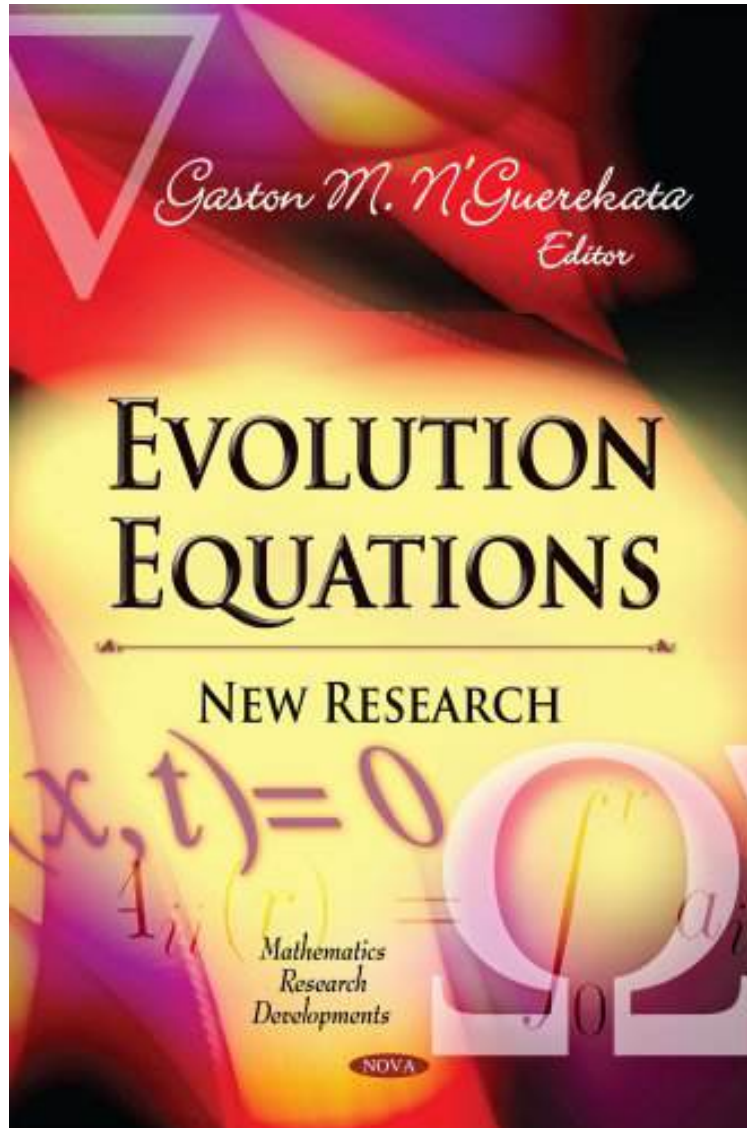

By Gaston M N'Guerekata
ebooks | Download PDF | *ePub | DOC | audiobook

| 2014-03-01 | Original language: English | PDF # 1 | 10.16 x 1.02 x 6.97l, 1.95 | File type: PDF | 406 pages | File size: 55.Mb

By Gaston M N'Guerekata : Evolution Equations (Mathematics Research Developments) faculty research interests lszl babai i work in the fields of theoretical computer science and discrete mathematics; more specifically in computational mathematics undergraduate program graduate program faculty all courses faculty listings and curricular and degree requirements described herein are Evolution Equations (Mathematics Research Developments):

Topics discussed include a qualitative study of a perturbed critical semi linear wave equation in variable metric renormalised solution for a non linear anisotropic degenerate parabolic equation periodic solutions of impulsive evolution equations non linear spectral theory controllability of semi linear evolution equations
