File type: PDF | 453 pages | File size: 43.Mb

**By Smail Djebali : Solution Sets for Differential Equations and Inclusions (de Gruyter Series In Nonlinear Analysis And Applications)** solution sets for differential equations and inclusions de gruyter in fixed point sets and solution sets for series de gruyter in nonlinear analysis and de gruyter series in nonlinear analysis and applications

solution sets for differential equations sets for differential equations and inclusions Solution Sets for Differential Equations and Inclusions (de Gruyter Series In Nonlinear Analysis And Applications):

The series is devoted to the publication of high level monographs which cover the whole spectrum of current nonlinear analysis and applications in various fields such as optimization control theory systems theory mechanics engineering and other sciences One of its main objectives is to make available to the professional community expositions of results and foundations of methods that play an important role in both the theory and applications of nonlinear analysis About the Author Smail Djebali Ecole Normale Superieure Algiers Algeria Lech Gorniewicz Nicolaus Copernicus University Torun Poland Abdelghani Ouahab Sidi Bel Abbes University Algeria
