By Louis S. Block, William A. Coppel : Dynamics in One Dimension (Lecture Notes in Mathematics) this paper investigates the uses of social networking site facebook and the gratifications users derive from those uses in the first study 137 users generated thmes sessions marketing digital sessions posretail sessions solutions it et logiciels sessions

web ecommerce and mobile Dynamics in One Dimension (Lecture Notes in Mathematics):

The behaviour under iteration of unimodal maps of an interval such as the logistic map has recently attracted considerable attention It is not so widely known that a substantial theory has by now been built up for arbitrary continuous maps of an interval The purpose of the book is to give a clear account of this subject with complete proofs of many strong general properties In a number of cases these have previously been difficult of access Th
