By Roger Godement : Analyse mathématique III: Fonctions analytiques, différentielles et variétés, surfaces de Riemann (French Edition) Analyse mathématique III: Fonctions analytiques, différentielles et variétés, surfaces de Riemann (French Edition):

Ce vol III expose la th eacute orie classique de Cauchy dans un esprit orient eacute bien davantage vers ses innombrables utilisations que vers une th eacute orie plus ou moins compl egrave te des fonctions analytiques On montre ensuite comment les int eacute gales curvilignes agrave la Cauchy se g eacute n eacute ralisent agrave un nombre quelconque de variables r eacute elles formes diff eacute rentielles formules de type Stokes Les bases de la th eacute or From the reviews This is the third volume of the author rsquo s extensive treatise on analysis hellip The book is well written and mathematically complete with many explanations of the basic mathematical ideas in non technical language combined with
