By Emmanuel D. Farjoun : Cellular Spaces, Null Spaces and Homotopy Localization (Lecture Notes in Mathematics)

it relates to advances in periodicity in homotopy localization and in cellular spaces spaces null spaces and homotopy localization lecture notes in mathematics cellular spaces null spaces null spaces and homotopy localization from your list lecture notes in mathematics ; Cellular Spaces, Null Spaces and Homotopy Localization (Lecture Notes in Mathematics):

In this monograph we give an exposition of some recent development in homotopy theory It relates to advances in periodicity in homotopy localization and in cellular spaces The notion of homotopy localization is treated quite generally and encompasses all the known idempotent homotopy functors It is applied to K theory localizations to Morava theories to Hopkins Smith theory of types The method of homotopy colimits is used heavily It is written with an advanced gra
