**From Brand: Birkhäuser : Modern Analysis and Applications: The Mark Krein Centenary Conference (Operator Theory: Advances and Applications)** Modern Analysis and Applications: The Mark Krein Centenary

Conference (Operator Theory: Advances and Applications):

These two volumes contain peer reviewed research and survey papers based on invited talks at the International Conference on Modern Analysis and Applications The conference which was dedicated to the 100th anniversary of the birth of Mark Krein one of the greatest mathematicians of the 20th century was held in Odessa Ukraine on April 9 14 2007 The papers describe the contemporary development of subjects influenced by Krein such as the theory of operators in Hilb
