Generalized Inverses and Applications: Proceedings of an Advanced Seminar Sponsored by the Mathematics Research Center, the University of Wisconsin—Madison, ... University of Wisconsin--Madison, No. 32.):

Generalized Inverses and Applications contains the proceedings of an Advanced Seminar on Generalized Inverses and Applications held at the University of Wisconsin Madison on October 8 10 1973 under the auspices of the university s Mathematics Research Center The seminar provided a forum for discussing the basic theory of generalized inverses and their applications to analysis and operator equations Numerical analysis and approximation methods are considered along wi
